

A Terrific Twosome!

There are few more enjoyable ways to network and make new business connections than a round of golf. It is in this spirit that we announce the first-ever Darien & New Canaan Chamber Partnership Golf Outing. Scheduled for Wednesday, Sept. 21 at the Country Club of New Canaan, this annual event has two goals: bring together nearby business professionals and raise funds to support the community & business events organized by the Chambers.

Please reach out to your golfing friends, family members, clients and co-workers with whom you'd like to play, and then consider one of our sponsorship packages. The synergy of this Chamber Partnership provides networking opportunities and business visibility on a broader scale than a single Chamber event.

Fore!
